Just talked to Rich:

All 4 homes receiving alternate water have been contacted and have received their packages. They're beginning to make decisions regarding the configuration of their plumbing when we withdraw the alternate water. Two Ex. 6 - Personal Privacy have indicated that they plan to discuss their results with Lora Werner.

For the 2 remaining 1st round supplemental homes: HW-62 had a full voicemail box, so Rich was unable to leave a message. Will keep trying.
HW-64: Rich reached the wife in NJ who provided her husband's cell number, which was busy. Will call back.
